

ESTABLISHING ROOTS FOR A BRIGHT FUTURE

Dear USL Parents and Supporters,

We hope this letter finds you well. As parent volunteers on the [USL Annual Fund](#) Committee, we are grateful for the strong sense of community that binds us together at University School of the Lowcountry. This has shaped our campaign theme this year, “**Establishing Roots for a Bright Future**”.

Our shared commitment to enhancing the educational experience for our children drives our efforts this year, and we are reaching out to seek your charitable support in the **2024 USL Annual Fund Fall Drive, taking place October 14-18**.

Just as the roots of a tree anchor it firmly in the ground, providing strength and stability, our children need a strong foundation to flourish and grow. Each child has the potential to reach great heights and spread wide branches. But first they must develop the essential characteristics that form their core—integrity, compassion, resilience, and respect.

University School of the Lowcountry cultivates these foundational traits, empowering our students to become not just good learners, but also good leaders and good friends.

Your support through the Annual Fund campaign, and with **100% participation**, will help us enrich USL’s Signature Programs and foster a vibrant environment for our students.

Together, let’s ensure that our students are well-rooted and ready to thrive. Your tax deductible contribution today will help shape the leaders and changemakers of tomorrow. **Thank you for considering our appeal.** We invite you to [donate or pledge your support](#) today!

With sincere gratitude from all of us at USL!

USL Annual Fund Committee and Fall Drive Volunteers

Co-Chairs: Brie Worden and Rob Davis (Hollis, 4th) **Volunteers:** Whitney Cole (Matilda, 6th), Ashley DeStefano (Ada, 4th), Daniel Flessas (Ben, 12th), Darlene Gottschalk (Anika, 8th), Doug Morton (Vivian, 8th), Sandra Rossner (Michael, 8th) **Alumni:** Anna Grace Ewing ‘09, Lily Frain ‘12
